The Tolcysten™ Difference...

Tolnaftate 1% and Undecylenic Acid 25%:

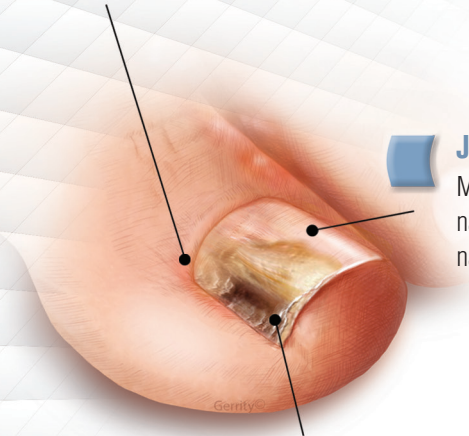

Can prevent and cure fungal infections and act as a cleansing/emulsifying agent and organic preservative.

Jojoba Oil and Vitamin E:

Moisturizes and revitalizes nails, while promoting healthy nail appearance and growth.

Urea, Lactic Acid and Propylene Glycol:

Softens, thins, and lightens brittle and discolored nails while acting as a penetrating agent for the other ingredients.

ANTI-MICROBIAL SHOE SPRAY

Formulated with
Active Silver Ions

Patent Pending
Formulation

- Anti-Bacterial, Anti-Fungal, and Anti-Sporicidal; Kills spores on contact. The only shoe spray available that is formulated with active silver ions and an anti-fungal agent.
- Eliminates foot odor and removes excess moisture from all types of footwear. Acts as a shoe disinfectant and reduces the risk of bacterial cross contamination. The active silver ions can penetrate leather and insoles to effectively keep footwear microbe free over an extended period.
- Environmentally safe, non-toxic formulation, contains no fragrance or dyes. Hypoallergenic, rapid-drying formulation leaves no oily residue.
